MICHAEL ANDERSON

SENIOR HOUSING DEVELOPMENT MANAGER

Results-driven Senior Housing Development Manager with a strong foundation in non-profit housing initiatives. Extensive experience in managing community-focused projects aimed at providing affordable housing solutions to low-income families. Proven ability to navigate complex funding mechanisms, including federal and state grants, to secure financial resources for housing developments. Adept at building relationships with community stakeholders, government agencies, and advocacy groups to promote housing equity.

PROFESSIONAL EXPERIENCE

Community First Housing

Mar 2018 - Present

Senior Housing Development Manager

- Oversaw the development of 300 affordable housing units in partnership with non-profit organizations.
- Secured \$10 million in funding through federal grants and local partnerships.
- Engaged with community members to ensure project designs met local needs and standards.
- Implemented strategies that reduced construction costs by 15% through value engineering.
- Coordinated with architects and engineers to deliver sustainable building practices.
- Monitored project timelines and budgets to ensure successful delivery of housing units.

Affordable Housing Coalition

Dec 2015 - Jan 2018

Project Coordinator

- Assisted in the management of community housing projects aimed at low-income families.
- Conducted outreach programs to educate families about available housing resources.
- Maintained relationships with local government to facilitate project approvals and funding.
- Prepared reports on project progress for stakeholders and community boards.
- Organized community meetings to gather input and build support for housing initiatives.
- Supported grant applications that resulted in funding for new housing developments.

ACHIEVEMENTS

- Successfully launched a housing initiative that served over 500 low-income families.
- Received the 'Community Leader Award' for outstanding contributions to affordable housing.
- Increased community engagement by 40% through targeted outreach efforts.
