MICHAEL ANDERSON

SENIOR INFRASTRUCTURE PROJECT MANAGER

Strategic and detail-oriented Senior Infrastructure Project Manager specializing in IT infrastructure projects. Over 12 years of experience in managing technology-driven initiatives that enhance organizational performance. Adept at integrating cutting-edge technologies with project management practices to drive efficiency and innovation. Proven ability to manage multiple projects simultaneously while ensuring alignment with strategic objectives.

PROFESSIONAL EXPERIENCE

Tech Innovations LLC   *Mar 2018 - Present*
Senior Infrastructure Project Manager

- Oversaw the implementation of IT infrastructure projects valued at over $20 million.
- Utilized Agile and Scrum methodologies to enhance project delivery timelines.
- Managed vendor relationships to ensure timely procurement of technology solutions.
- Conducted feasibility studies and risk assessments for proposed projects.
- Coordinated with cross-departmental teams to ensure project alignment with business goals.
- Developed training programs for staff on new technology implementations.

Digital Solutions Corp   *Dec 2015 - Jan 2018*
IT Project Manager

- Managed the rollout of IT infrastructure upgrades across multiple locations.
- Developed project scopes and objectives, ensuring technical feasibility.
- Monitored project progress and prepared detailed reports for executive management.
- Implemented quality assurance processes to uphold project standards.
- Facilitated training sessions for end-users on new systems.
- Collaborated with IT teams to troubleshoot and resolve project-related issues.

ACHIEVEMENTS

- Successfully completed a $5 million network upgrade project ahead of schedule.
- Awarded 'Best Project Delivery' for innovative project management practices.
- Increased project efficiency by 25% through process improvements.
