

# MICHAEL ANDERSON

## LAND DEVELOPMENT MANAGER

### PROFILE

Highly accomplished Senior Land Administration Manager with a robust background in real estate development and land management. Over 12 years of experience in overseeing land acquisition processes, navigating complex regulatory environments, and ensuring compliance with local, state, and federal laws. Demonstrates exceptional skills in stakeholder negotiations and conflict resolution, driving successful project outcomes through strategic planning and execution.

### EXPERIENCE

#### LAND DEVELOPMENT MANAGER

##### Urban Development Solutions

2016 - Present

- Directed land acquisition initiatives for residential and commercial projects valued at over \$200 million.
- Negotiated contracts with landowners, ensuring favorable terms for project development.
- Collaborated with environmental consultants to assess land suitability and compliance.
- Prepared and presented land use proposals to city councils and planning boards.
- Managed a team of land technicians, providing guidance and support in project execution.
- Utilized project management tools to track progress and budget adherence.

#### LAND ACQUISITION ANALYST

##### Real Estate Ventures

2014 - 2016

- Conducted market analysis to identify potential land acquisition opportunities.
- Assisted in negotiating land purchase agreements, achieving cost savings for the organization.
- Maintained comprehensive records of land transactions and regulatory compliance.
- Coordinated with legal teams to ensure accurate documentation of land titles.
- Developed presentations for stakeholders, highlighting project benefits and community impact.
- Monitored legislative changes affecting land use and acquisition processes.
