MICHAEL ANDERSON

SENIOR LECTURER

Experienced Senior Lecturer in Business Administration with over 14 years in higher education, focusing on strategic management and entrepreneurship. My approach to teaching emphasizes experiential learning and real-world application, fostering a strong connection between theory and practice. I have developed a range of innovative courses that challenge students to think critically and creatively about business issues.

PROFESSIONAL EXPERIENCE

Global Business University

Mar 2018 - Present

Senior Lecturer

- Designed a new curriculum for strategic management that improved student engagement by 35%.
- Led a research project on entrepreneurship that resulted in a publication in a leading journal.
- Facilitated partnerships with local businesses for student internships, leading to 80% placement rates.
- Implemented case study methods that enhanced critical thinking skills among students.
- Advised student organizations that increased participation in business competitions by 50%.
- Conducted professional development workshops for faculty on innovative teaching practices.

Regional College

Dec 2015 - Jan 2018

Associate Lecturer

- Taught courses in entrepreneurship and business strategy, receiving an average student rating of 4.6/5.
- Facilitated experiential learning opportunities through local business partnerships.
- Organized networking events that connected students with industry professionals.
- Developed assessment tools that improved performance tracking for over 300 students.
- Participated in curriculum committees to align courses with industry trends.
- Provided mentorship to students, leading to a significant increase in graduate employment rates.

ACHIEVEMENTS

- Received the 'Outstanding Educator Award' from Global Business University in 2021.
- Published 8 articles in peer-reviewed business journals over the past five years.
- Secured a \$100,000 grant for research on digital business transformation.
