MICHAEL ANDERSON

SENIOR MARITIME MANAGER

Experienced Senior Maritime Manager with over 12 years of extensive experience in maritime logistics, supply chain management, and fleet optimization. Demonstrates a comprehensive understanding of maritime operations, with a strong focus on enhancing efficiency and driving cost-effective solutions. Expert in leveraging data analytics to inform decision-making and improve operational performance. Proven ability to manage diverse teams while fostering a culture of continuous improvement and safety.

PROFESSIONAL EXPERIENCE

Seaway Logistics Corp.

Mar 2018 - Present

Senior Maritime Manager

- Managed logistics operations for a fleet of over 100 vessels, improving turnaround time by 15%.
- Utilized data analytics to optimize routing and scheduling, resulting in cost savings of 20%.
- Developed training programs for staff, enhancing skills and safety awareness.
- Collaborated with suppliers to reduce lead times and improve service reliability.
- Monitored compliance with maritime regulations and safety standards, achieving zero violations.
- Implemented a new inventory management system, improving stock accuracy by 30%.

Harbor Freight Services

Dec 2015 - Jan 2018

Logistics Coordinator

- Coordinated logistics for shipping operations, ensuring timely delivery of goods.
- Analyzed shipping data to identify inefficiencies and propose solutions.
- Built relationships with freight carriers to negotiate favorable rates.
- Developed shipment tracking processes that improved customer communication.
- Trained new staff on logistics software and safety protocols.
- Participated in safety audits, contributing to a 25% decrease in incidents.

ACHIEVEMENTS

- Achieved a 15% reduction in operational costs through strategic logistics improvements.
- Recognized as Employee of the Year for exceptional contributions to operational success.
- Successfully implemented a new software system that enhanced tracking capabilities.
