MICHAEL ANDERSON

EXPLORATION MANAGER

Innovative Senior Oil and Gas Manager with over 20 years of diversified experience in the energy sector, specializing in exploration and production management. A strategic thinker with a strong ability to drive initiatives that enhance operational efficiency while ensuring environmental compliance. Expertise includes project management, budgeting, and stakeholder engagement. Known for fostering a culture of safety and continuous improvement, while effectively managing risks associated with oil and gas operations.

PROFESSIONAL EXPERIENCE

PetroQuest Energy

Mar 2018 - Present

Exploration Manager

- Managed exploration strategies that led to a 30% increase in discovered reserves.
- Oversaw geological and geophysical studies, ensuring data integrity.
- Collaborated with regulatory bodies to secure necessary permits.
- Directed cross-functional teams in the execution of drilling programs.
- Utilized advanced software for reservoir modeling and analysis.
- Presented findings to stakeholders, enhancing transparency and trust.

Eagle Rock Energy

Dec 2015 - Jan 2018

Senior Geologist

- Conducted geological assessments to support drilling operations.
- Developed geological models that improved drilling success rates.
- Collaborated with engineers to optimize well designs.
- Presented technical reports to senior management, influencing strategic decisions.
- Mentored junior geologists, enhancing team capabilities.
- Participated in industry conferences, sharing insights and best practices.

ACHIEVEMENTS

- Increased reserve estimates by 40% through innovative exploration techniques.
- Published research in leading geological journals, enhancing company reputation.
- Received 'Best Project' award for outstanding exploration results.
