Dedicated Senior Policy Analyst with a focus on international relations and foreign policy analysis. Expertise in assessing geopolitical trends and their implications for national security and diplomacy. Proven ability to produce in-depth reports and policy recommendations that guide government decision-making in foreign affairs. Skilled in engaging with international stakeholders to foster diplomatic relationships and promote collaborative policy initiatives.

💼 WORK EXPERIENCE

Senior Foreign Policy Analyst   2020-2023
Global Affairs Institute

- Conducted geopolitical analyses to inform foreign policy decisions.
- Developed policy briefs for senior government officials.
- Engaged with international partners to discuss collaborative strategies.
- Authored reports on security threats and foreign relations.
- Facilitated roundtable discussions on international policy issues.
- Presented findings at international policy conferences.

Policy Analyst   2019-2020
Department of State

- Analyzed international treaties and their implications for national security.
- Prepared briefing materials for diplomatic engagements.
- Collaborated with interagency teams on foreign policy initiatives.
- Conducted research on emerging global threats.
- Drafted policy recommendations for enhancing diplomatic relations.
- Facilitated training for staff on international policy analysis.

★ ACHIEVEMENTS

- Received the 'Distinguished Analyst Award' in 2020 for exceptional contributions.
- Contributed to the successful negotiation of a key international treaty.
- Played a pivotal role in developing a foreign policy strategy that enhanced national security.
