

MICHAEL ANDERSON

Senior Support Worker

Dedicated Senior Support Worker with a strong focus on addiction recovery and rehabilitation services. Over 10 years of experience in guiding individuals through the complexities of addiction, employing evidence-based practices to foster long-term recovery. Proficient in developing comprehensive treatment plans tailored to individual needs, integrating therapeutic modalities and support systems. Strong ability to engage clients in their recovery journey, promoting empowerment and accountability.

WORK EXPERIENCE

Senior Support Worker 2020-2023

Addiction Recovery Center

- Developed and implemented individualized treatment plans for clients.
- Facilitated group therapy sessions focused on skill-building and recovery.
- Conducted regular assessments to track client progress and modify plans.
- Collaborated with healthcare professionals to ensure comprehensive care.
- Provided crisis intervention and support during critical situations.
- Educated clients on relapse prevention strategies.

Support Worker 2019-2020

Rehabilitation Services

- Assisted clients in daily living activities while promoting recovery-oriented practices.
- Maintained accurate documentation of client interactions and treatment progress.
- Participated in community outreach to raise awareness of addiction services.
- Facilitated workshops on coping strategies and life skills.
- Engaged families in the recovery process to enhance support systems.
- Monitored client behavior and reported significant changes to the team.

ACHIEVEMENTS

- Recognized for developing a relapse prevention program that improved client outcomes by 30%.
- Recipient of the Outstanding Service Award in 2020 for excellence in client care.
- Increased community awareness of addiction services through outreach initiatives.
