ACHIEVEMENTS

- Instrumental in securing $10 million in funding for urban revitalization initiatives.
- Recognized by the American Planning Association for excellence in policy analysis.
- Published influential research on urban equity in leading urban studies journals.

PROFILE

Strategic Senior Urban Planner possessing extensive expertise in urban policy development and spatial planning. Known for integrating innovative technologies and data-driven insights to enhance urban environments. Proven track record in collaborating with governmental agencies and private sector stakeholders to formulate comprehensive urban plans that address social, economic, and environmental challenges. Skilled in leading large-scale urban regeneration projects, with a focus on community resilience and sustainable practices.

EXPERIENCE

LEAD URBAN PLANNER

Metropolitan Planning Organization

2016 - Present

- Oversaw the development of regional land use strategies impacting over 1 million residents.
- Facilitated cross-sector collaborations to align urban goals with transportation planning.
- Utilized advanced modeling software to project urban growth scenarios.
- Conducted public hearings to gather stakeholder feedback on proposed policies.
- Implemented data analytics to assess urban infrastructure needs and priorities.
- Presented findings to government officials and community groups, fostering transparency.

URBAN POLICY ANALYST

Urban Institute

2014 - 2016

- Researched urban policies and their impacts on marginalized communities.
- Developed policy briefs that informed legislative proposals at the state level.
- Conducted workshops to educate stakeholders about urban policy implications.
- Collaborated with researchers to publish reports on urban development trends.
- Analyzed zoning laws and their effectiveness in achieving community objectives.
- Engaged with advocacy groups to promote equitable urban development practices.
