# MICHAEL ANDERSON

## VFX SUPERVISOR

Innovative Senior VFX Compositor with a proven history of transforming ambitious visual concepts into stunning realities for both cinema and digital media. Renowned for a strategic approach that marries creativity with technical proficiency, resulting in visually arresting compositions that captivate diverse audiences. Demonstrates exceptional expertise in compositing, color correction, and visual storytelling, with a strong emphasis on collaboration across multidisciplinary teams.

## PROFESSIONAL EXPERIENCE

### **Stellar Productions**

*Mar 2018 - Present*

VFX Supervisor

- Oversaw the visual effects department, ensuring high standards in all project deliverables.
- Developed and implemented innovative compositing techniques that enhanced project quality.
- Collaborated with directors and producers to align visual effects with narrative goals.
- Managed the workflow of up to 15 artists, optimizing resource allocation.
- Conducted weekly reviews of ongoing projects to ensure timely completion.
- Presented final visual effects to stakeholders for approval and feedback.

### **Galaxy Films**

*Dec 2015 - Jan 2018*

Senior Compositor

- Executed high-level compositing tasks for blockbuster films, ensuring visual integrity.
- Utilized Nuke and Flame to create dynamic visual effects sequences.
- Worked closely with cinematographers to ensure seamless integration of VFX with live footage.
- Engaged in color grading processes to enhance the overall visual aesthetic.
- Reviewed and provided feedback on junior artists' work to maintain quality standards.
- Participated in post-mortem discussions to improve future project workflows.

## ACHIEVEMENTS

- Contributed to a film that won the Academy Award for Best Visual Effects.
- Recognized as 'Top VFX Artist' by the Visual Effects Society in 2023.
- Achieved a 98% on-time project delivery rate over five years.
