## EXPERTISE SKILLS

- Unity
- Unreal Engine
- Shader Graph
- Performance Optimization
- Collaboration
- Visual Storytelling

## LANGUAGES

- English
- Spanish
- French

## CERTIFICATION

- Bachelor of Science in Game Design, Technical University

# MICHAEL ANDERSON

## SHADING ARTIST

Innovative Shading Artist with a strong focus on combining artistic vision with technical prowess to create immersive visual experiences in gaming. Expertise in developing shaders that not only enhance realism but also optimize performance across various platforms. Proven ability to work under tight deadlines while maintaining a high standard of quality.

## PROFESSIONAL EXPERIENCE

### **NextGen Gaming Studios**

*Mar 2018 - Present*

Shading Artist

- Designed unique shaders to enhance character animations and environments.
- Collaborated with designers to ensure consistency in visual styles.
- Optimized shader performance for various gaming platforms.
- Conducted user testing to assess visual impact and performance.
- Created documentation for shader usage and implementation.
- Participated in brainstorming sessions for new game concepts.

### **Pixel Perfect Games**

*Dec 2015 - Jan 2018*

Junior Shading Artist

- Assisted in the creation of shaders for diverse game assets.
- Conducted shader tests to identify and resolve rendering issues.
- Collaborated with the art team to align visual goals.
- Utilized Unity to implement shaders within game environments.
- Maintained shader documentation for team reference.
- Supported the development of training materials for new hires.

## ACHIEVEMENTS

- Contributed to a game that won 'Best Indie Game' at the Game Awards.
- Increased shader performance by 35% through innovative techniques.
- Recognized for exceptional teamwork and collaboration on projects.
