MICHAEL ANDERSON

ARTISTIC METAL FABRICATOR

Innovative Sheet Metal Artisan with a diverse background in artistic metalwork and custom fabrication. Over 12 years of hands-on experience in transforming creative designs into tangible metal structures. Renowned for the ability to blend functionality with aesthetic appeal, catering to both commercial and residential clients. Expertise includes working with various metals, surface finishes, and artistic techniques to deliver unique, high-quality products.

PROFESSIONAL EXPERIENCE

Creative Metalworks Studio

Mar 2018 - Present

Artistic Metal Fabricator

- Collaborated with artists and designers to fabricate custom metal art pieces.
- Utilized advanced welding techniques to create intricate sculptures and installations.
- Managed the entire fabrication process from concept to installation.
- Conducted workshops to educate community members on metalworking skills.
- Implemented environmentally sustainable practices in material sourcing.
- Showcased work in several local exhibitions, increasing studio visibility.

Urban Design Fabricators

Dec 2015 - Jan 2018

Sheet Metal Artisan

- Performed custom metal fabrication for architectural features in urban developments.
- Worked closely with architects to ensure design integrity and feasibility.
- Maintained a high level of craftsmanship while adhering to project specifications.
- Assisted in the development of prototypes for innovative urban furniture.
- Engaged in client consultations to refine project ideas and requirements.
- Developed a reputation for delivering projects on time and within budget.

ACHIEVEMENTS

- Received the 'Best in Show' award at the Annual Metal Art Exhibition.
- Successfully completed over 50 commissioned pieces for residential and commercial clients.
- Featured in local media for contributions to public art projects.
