ACHIEVEMENTS

- Successfully led a logistics operation that improved shelter access for 10,000 families in crisis.
- Received commendation from UNHCR for excellence in camp management and community outreach.
- Increased operational efficiency by 30% through the implementation of new inventory systems.

PROFILE

Accomplished Shelter and Camp Management Officer with a robust background in logistics and resource management within the humanitarian sector. Expertise encompasses overseeing shelter operations in emergency and post-disaster contexts, ensuring efficient service delivery to vulnerable populations. Possesses a strong analytical mindset, adept at utilizing data-driven approaches to optimize shelter conditions and enhance community well-being.

EXPERIENCE

LOGISTICS AND SHELTER MANAGER

Save the Children

2016 - Present

- Managed logistics for shelter operations in response to natural disasters across multiple regions.
- Implemented inventory management systems that reduced waste by 25%.
- Coordinated the delivery of shelter kits to over 5,000 affected families.
- Developed training programs for local staff on logistical best practices and emergency response.
- Facilitated collaboration with local authorities to streamline resource distribution.
- Monitored and evaluated shelter projects, ensuring compliance with organizational standards.

ASSISTANT CAMP MANAGER

UNHCR

2014 - 2016

- Assisted in the management of refugee camps, focusing on shelter allocation and maintenance.
- Engaged with community leaders to identify and address shelter-related concerns.
- Conducted surveys to assess living conditions and gather feedback from residents.
- Coordinated training for camp staff on conflict resolution and community engagement.
- Implemented health and safety protocols that improved overall camp hygiene.
- Collaborated with NGOs to enhance service delivery and resource availability.
