

# MICHAEL ANDERSON

## Contemporary Silversmith

Creative silversmith with a focus on contemporary art pieces and sculptural works, backed by over eight years of experience in the industry. Known for innovative designs that integrate various materials and techniques, pushing the boundaries of traditional silversmithing. Exceptional capabilities in conceptualizing and executing unique art pieces that resonate with audiences.

### WORK EXPERIENCE

#### Contemporary Silversmith

2020-2023

Innovative Silver Studio

- Designed and created contemporary silver sculptures that challenge conventional forms.
- Participated in group exhibitions, gaining recognition for artistic contributions.
- Collaborated with artists from various disciplines to produce multidisciplinary works.
- Engaged with the local art community through workshops and demonstrations.
- Utilized mixed media techniques to enhance the visual appeal of silver pieces.
- Maintained an active online portfolio to showcase work and attract clients.

#### Silversmithing Assistant

2019-2020

Artistic Metal Studio

- Assisted in the creation of artistic silver pieces, gaining hands-on experience.
- Supported the organization of studio projects, ensuring efficiency and quality.
- Participated in brainstorming sessions to develop new artistic concepts.
