# MICHAEL ANDERSON

## SENIOR SPA DEVELOPER

With a decade of experience in software development, I have specialized as a Single Page Application Developer with a focus on e-commerce solutions. My career began in a small retail startup where I developed my first SPA, and since then, I have worked with various companies to enhance their online presence and drive sales through effective web applications.

## PROFESSIONAL EXPERIENCE

### **E-Commerce Innovations**

*Mar 2018 - Present*

Senior SPA Developer

- Designed and implemented a high-traffic single-page application for an e-commerce platform, increasing sales by 35%.
- Utilized Angular and Node.js to create a seamless user experience across devices.
- Analyzed user data to inform design decisions and improve site navigation.
- Worked closely with marketing teams to implement A/B testing, enhancing conversion rates.
- Led a team of developers, providing mentorship and code reviews for best practices.
- Developed comprehensive documentation for application features and user guides.

### **Retail Solutions Corp.**

*Dec 2015 - Jan 2018*

Web Developer

- Created an interactive single-page application for a retail website using React.
- Collaborated with designers to ensure a cohesive brand experience across the application.
- Implemented SEO best practices to enhance visibility and drive organic traffic.
- Integrated payment gateways, resulting in smoother transaction processes.
- Engaged in regular performance audits, optimizing load times significantly.
- Participated in client meetings to gather requirements and provide progress updates.

## ACHIEVEMENTS

- Increased conversion rates by 20% through strategic A/B testing implementations.
- Recognized as 'Developer of the Year' for exceptional contributions to e-commerce projects.
- Successfully launched multiple high-profile projects that received positive customer feedback.
