WORK EXPERIENCE

Veterinarian

2020-2023

Better Life Animal Hospital

- Provided comprehensive veterinary care to small animals, focusing on wellness and preventive medicine.
- Conducted surgeries and emergency procedures with a strong emphasis on patient safety.
- Collaborated with local shelters to provide spay/neuter services, impacting community pet overpopulation.
- Trained veterinary students and interns, enhancing their clinical skills and knowledge.
- Developed and implemented new protocols that improved patient care and clinic workflow.
- Engaged in community health initiatives, promoting responsible pet ownership and welfare.

Veterinary Technician

2019-2020

Animal Care Services

- Assisted veterinarians during examinations and surgical procedures, ensuring high standards of care.
- Maintained accurate medical records and assisted in the management of patient treatment plans.
- Educated pet owners on post-operative care and preventive health practices.
- Participated in local outreach programs, providing veterinary care to underserved communities.
- Contributed to the clinic's initiatives to reduce wait times and enhance service delivery.
- Volunteered at animal shelters, providing basic medical care to homeless pets.

ACHIEVEMENTS

- Successfully reduced clinic wait times by 20% through improved scheduling practices.
- Awarded 'Veterinary Excellence Award' for outstanding service in the community.
- Developed educational workshops for pet owners, increasing community engagement by 35%.
