EDUCATION

BACHELOR'S IN INFORMATION TECHNOLOGY, CITY UNIVERSITY, 2013

ACHIEVEMENTS

- Achieved a 50% reduction in cybersecurity-related incidents within the first year of program implementation.
- Recognized with the City Leadership Award for outstanding contributions to public safety.
- Developed a cybersecurity awareness campaign that reached over 10,000 city residents.

PROFILE

Dynamic Smart City Cybersecurity Specialist with extensive experience in developing and executing security strategies for urban technology deployments. Expertise lies in integrating cybersecurity measures within smart city frameworks, ensuring the protection of critical data and infrastructure. Proven ability to analyze complex systems and identify potential threats, thereby crafting proactive solutions that enhance security.

EXPERIENCE

CYBERSECURITY PROGRAM MANAGER

City Innovations Group

2016 - Present

- Managed cybersecurity programs for multiple smart city initiatives, ensuring alignment with strategic goals.
- Developed and enforced cybersecurity policies in collaboration with city stakeholders.
- Conducted training workshops to enhance cybersecurity literacy among city employees.
- Implemented security audits and assessments to ensure compliance with industry standards.
- Coordinated with law enforcement to address cybercrime affecting city services.
- Monitored security incidents and developed response strategies.

INFORMATION SECURITY ANALYST

TechGuard Solutions

2014 - 2016

- Analyzed potential vulnerabilities in smart city applications and networks.
- Provided technical support and cybersecurity guidance for urban technology deployments.
- Implemented security measures for data protection across smart city platforms.
- Assisted in developing disaster recovery plans for urban infrastructure.
- Conducted regular penetration testing to assess the effectiveness of security protocols.
- Engaged with community stakeholders to promote cybersecurity awareness.
