WORK EXPERIENCE

Urban Policy Advisor 2020-2023
City Council Office

- Advised city officials on smart city policies and initiatives aimed at enhancing urban sustainability.
- Conducted policy research to support the development of legislation promoting smart technologies.
- Facilitated public hearings to gather community input on smart city projects.
- Collaborated with cross-sector partners to align policy objectives with community needs.
- Drafted policy briefs and reports to inform stakeholders of key findings and recommendations.
- Engaged in advocacy efforts to promote smart city initiatives at the state level.

Policy Analyst 2019-2020
Urban Policy Institute

- Conducted analyses of urban policies and their impact on smart city development.
- Prepared reports and presentations for government agencies and stakeholders.
- Monitored legislative developments related to urban technology and sustainability.
- Worked with community organizations to promote awareness of smart city policies.
- Assisted in the development of policy recommendations for local governments.
- Facilitated workshops to educate stakeholders on policy implications of smart city technologies.

ACHIEVEMENTS

- Successfully advocated for the passage of smart city legislation that increased funding for urban technology projects.
- Recognized as 'Policy Advocate of the Year' by the Urban Policy Association.
- Published research on the impact of technology on urban policy in a leading journal.
