### SKILLS

- energy analysis
- project management
- data modeling
- team collaboration
- communication skills
- technology implementation

### LANGUAGES

- English
- Spanish
- French

### EDUCATION

**BACHELOR OF SCIENCE IN ELECTRICAL ENGINEERING, GEORGIA INSTITUTE OF TECHNOLOGY, 2016**

### ACHIEVEMENTS

- Instrumental in achieving a 20% reduction in energy costs for a major utility client.
- Received 'Rising Star' award for outstanding project contributions in 2020.
- Contributed to a publication on energy efficiency strategies in leading journals.

### WORK EXPERIENCE

#### ENERGY SYSTEMS ANALYST

TechEnergy Consultants

2020 - 2025

- Analyzed energy consumption data to identify trends and areas for improvement.
- Developed models for predicting energy usage and optimizing resources.
- Collaborated with engineering teams to implement energy-saving measures.
- Prepared detailed reports on energy performance for client review.
- Conducted training sessions for staff on new energy technologies.
- Engaged with clients to tailor energy solutions to specific needs.

#### ASSISTANT PROJECT MANAGER

Future Energy Solutions

2015 - 2020

- Assisted in managing renewable energy projects from inception to completion.
- Coordinated with contractors to ensure timely execution of project phases.
- Utilized project management software to track progress and deliverables.
- Monitored project budgets and provided updates to senior management.
- Facilitated communication between stakeholders to align project goals.
- Conducted site visits to assess project feasibility and progress.
