MICHAEL ANDERSON

REGULATORY AFFAIRS MANAGER

Accomplished utilities manager with extensive experience in regulatory compliance and energy policy development. Over 12 years of experience in navigating complex regulatory environments to ensure adherence to state and federal guidelines. Proven ability to lead cross-functional teams in the development of strategic initiatives that enhance operational effectiveness. Expertise in stakeholder negotiation and advocacy, ensuring that utility operations align with community and environmental standards.

PROFESSIONAL EXPERIENCE

National Energy Regulatory Commission

Mar 2018 - Present

Regulatory Affairs Manager

- Managed regulatory compliance for utility operations, ensuring alignment with legislation.
- Developed and submitted regulatory filings to support operational changes.
- Engaged with stakeholders to advocate for favorable energy policies.
- Conducted workshops to educate staff on regulatory requirements.
- Monitored changes in regulations to advise on compliance strategies.
- Collaborated with legal teams to address compliance issues proactively.

State Department of Energy

Dec 2015 - Jan 2018

Energy Policy Analyst

- Analyzed energy policy impacts on utility operations and market dynamics.
- Developed reports to inform decision-makers on policy implications.
- Participated in public hearings to represent agency positions.
- Collaborated with industry experts to assess emerging trends.
- Conducted research on best practices in energy regulation.
- Facilitated stakeholder meetings to gather input on policy development.

ACHIEVEMENTS

- Led a successful initiative that resulted in a 15% reduction in compliance violations.
- Awarded 'Best Regulatory Practice' by the National Association of Regulatory Utility Commissioners.
- Contributed to the development of state energy efficiency programs that saved consumers \$5 million.
