

Michael ANDERSON

URBAN PROJECT MANAGER

Dynamic Social Anthropologist with a focus on urban studies and community development, leveraging over 7 years of experience in the non-profit sector. My expertise lies in understanding urban spaces and the social dynamics that shape them. I have a proven track record of working collaboratively with local communities to identify challenges and co-create solutions.

WORK EXPERIENCE

URBAN PROJECT MANAGER

City Futures Organization

2020 - 2025

- Managed urban development projects focusing on community-led initiatives and participatory research.
- Conducted community assessments to identify key issues affecting residents.
- Facilitated workshops with community members to co-design solutions for urban challenges.
- Collaborated with local government to advocate for policy changes based on research findings.
- Utilized GIS tools to analyze spatial data and inform project planning.
- Presented project outcomes to stakeholders, resulting in increased funding for community initiatives.

COMMUNITY ORGANIZER

Neighborhood Empowerment Network

2015 - 2020

- Organized community meetings to discuss urban issues and mobilize residents for action.
- Developed outreach materials that informed residents about available resources and services.
- Established partnerships with local businesses to support community initiatives.
- Conducted surveys to gather data on community needs and preferences.
- Advocated for equitable access to public resources and services for underserved populations.
- Coordinated events that fostered community engagement and collaboration.
