### SUMMARY

With over 8 years of experience in the tech industry, I am a dedicated Social Data Scientist specializing in leveraging social media data to drive business insights. My journey began with a strong foundation in data analytics, progressively advancing to develop robust predictive models. I am passionate about exploring user behavior on social platforms, translating complex data into actionable strategies for marketing teams.

---

### WORK EXPERIENCE

#### Senior Social Data Scientist Tech Innovations Inc.

Jan 2023 - Present

- Developed predictive analytics models to forecast user engagement trends across various social media platforms.
- Collaborated with marketing teams to create customized campaigns based on user behavior analysis.
