WORK EXPERIENCE

Urban Housing Manager

2020-2023

Metropolitan Housing Authority

- Directed urban housing projects that resulted in the creation of 500 affordable housing units.
- Implemented strategic initiatives that improved housing accessibility for marginalized groups.
- Managed budgets exceeding \$30 million, ensuring fiscal responsibility.
- Collaborated with urban planners to design community-centric housing developments.
- Facilitated stakeholder meetings to align housing strategies with community needs.
- Utilized GIS technology for spatial analysis and project planning.

Housing Policy Analyst

2019-2020

Council for Housing Policy

- Conducted research on housing policy impacts, providing recommendations for legislative changes.
- Developed policy briefs that influenced local housing strategies.
- Collaborated with local government to assess housing market trends.
- Presented findings at national conferences, enhancing organizational visibility.
- Engaged with community members to gather input on housing needs.
- Created data reports that informed strategic planning processes.

ACHIEVEMENTS

- Recognized for leading a project that increased affordable housing by 40% within three years.
- Received the 'Urban Innovation Award' for excellence in housing development in 2021.
- Authored a widely-cited report on housing trends that shaped local policies.
