MICHAEL ANDERSON

TECHNOLOGY FOR SOCIAL GOOD ANALYST

Accomplished Social Impact Analyst with a focus on leveraging technology for social good. Expertise in utilizing data analytics and digital tools to assess the effectiveness of social programs and initiatives. Proven track record in developing innovative solutions that harness technology to address social challenges, particularly in underserved communities. Skilled in collaborating with cross-functional teams in both nonprofit and tech sectors to create scalable impact strategies.

PROFESSIONAL EXPERIENCE

Tech4Change

Mar 2018 - Present

Technology for Social Good Analyst

- Analyzed the impact of technology-driven initiatives on community development.
- Developed metrics to evaluate program success and inform strategic decisions.
- Collaborated with software developers to create tools for data collection and analysis.
- Facilitated training for organizations on utilizing technology for social impact.
- Presented findings to stakeholders, influencing funding decisions.
- Conducted research on best practices in tech for social change.

Social Innovation Lab

Dec 2015 - Jan 2018

Data Analyst

- Managed data collection and analysis for social innovation projects.
- Created dashboards to visualize project performance metrics.
- Collaborated with project managers to identify data needs and reporting requirements.
- Conducted impact assessments that informed program modifications.
- Engaged with community members to gather feedback on program effectiveness.
- Produced comprehensive reports that highlighted key insights and recommendations.

ACHIEVEMENTS

- Designed a data visualization tool that increased program reporting efficiency by 50%.
- Received the Innovator Award for pioneering tech solutions in social impact.
- Published a white paper on the role of technology in enhancing social programs.
