### SUMMARY

Dynamic Social Impact Researcher with over 7 years of experience in analyzing social policies and their effects on vulnerable populations. I possess a strong background in both qualitative and quantitative research methodologies, having worked on various projects aimed at improving community welfare. My expertise lies in employing data analysis tools to assess program effectiveness and inform policy recommendations.

---

### WORK EXPERIENCE

#### Social Impact Analyst Community Research Institute

Jan 2023 - Present

- Conducted comprehensive social impact assessments for community programs.
