EDUCATION

PHD IN EDUCATIONAL POLICY,
UNIVERSITY OF EDUCATION STUDIES

ACHIEVEMENTS

- Secured \$750,000 in grants for educational equity research projects.
- Presented at national conferences, sharing insights on educational policy reforms.
- Received accolades for a research report that led to statewide curriculum changes.

PROFILE

Results-driven Social Impact Researcher with over 10 years of experience in the nonprofit sector, specializing in educational equity and access. I have a proven track record of conducting rigorous evaluations of educational programs and policies, with a focus on underserved populations. My strong analytical skills are complemented by my ability to engage with diverse stakeholders, including educators, policymakers, and community organizations.

EXPERIENCE

SENIOR RESEARCHER

Equity in Education Foundation

2016 - Present

- Led comprehensive evaluations of educational programs impacting low-income students.
- Utilized advanced statistical software (SAS, Stata) to analyze program effectiveness.
- Facilitated focus groups with students and parents to gather qualitative feedback.
- Published findings in educational journals, informing policy changes at the state level.
- Developed strategic partnerships with schools to enhance research initiatives.
- Achieved a 40% improvement in program funding through data-driven advocacy efforts.

RESEARCH ASSOCIATE

National Education Policy Center

2014 - 2016

- Conducted qualitative research on educational disparities across urban and rural areas.
- Collaborated with teams to design surveys and collect data from diverse educational settings.
- Analyzed qualitative data using NVivo to identify key themes in educational experiences.
- Presented research findings to educational stakeholders, influencing policy decisions.
- Monitored trends in educational research, providing insights to the team.
- Contributed to grant proposals, securing funding for ongoing research projects.
