Michael Anderson

SENIOR LABOR MARKET RESEARCHER

Proactive Social Researcher with expertise in labor market trends and workforce development. Over 9 years of experience conducting research that informs policies and programs aimed at enhancing employment opportunities for underrepresented groups. Skilled in designing and executing both qualitative and quantitative research methodologies, I utilize data-driven insights to shape workforce initiatives.

EXPERIENCE

SENIOR LABOR MARKET RESEARCHER

Workforce Development Agency

2016 - Present

- Led research initiatives assessing labor market needs and trends affecting job seekers.
- Conducted surveys and focus groups with employers to identify skills gaps in the workforce.
- Analyzed labor market data to produce comprehensive workforce reports for stakeholders.
- Collaborated with local businesses to develop targeted job training programs.
- Presented research findings to city councils, influencing local workforce policies.
- Supervised junior researchers, providing mentorship and guidance on research methods.

RESEARCH ASSOCIATE

Economic Research Institute

2014 - 2016

- Supported research projects focused on employment trends and economic impacts of policy changes.
- Utilized statistical software to analyze large datasets, contributing to reports on employment projections.
- Conducted interviews with industry leaders to gather qualitative insights on workforce needs.
- Engaged with community organizations to promote research initiatives and gather feedback.
- Assisted in the development of proposals for funding workforce development programs.
- Presented findings at regional conferences, enhancing visibility for research initiatives.
