EDUCATION

PHD IN EDUCATION POLICY, STANFORD UNIVERSITY

ACHIEVEMENTS

- Received the 'Excellence in Research Award' from the American Educational Research Association in 2021.
- Contributed to a study that led to a 20% increase in funding for underprivileged schools.
- Published multiple articles that have been cited over 500 times in academic literature.

PROFILE

Results-oriented Social Science Researcher with over 8 years of experience specializing in educational policy and program evaluation. My career has been dedicated to examining the effectiveness of educational interventions and their impact on student outcomes. I have a solid background in analyzing educational data, conducting focus groups, and presenting findings to educational stakeholders.

EXPERIENCE

SENIOR EDUCATIONAL RESEARCHER

National Education Institute

2016 - Present

- Led a team to evaluate the effectiveness of a statewide literacy program.
- Conducted statistical analysis of student performance data using SAS and Excel.
- Designed surveys for educators to collect feedback on program implementation.
- Published findings in educational journals, influencing policy changes at the state level.
- Presented research outcomes to school boards, leading to the adoption of new curricula.
- Mentored junior researchers in qualitative and quantitative methods.

RESEARCH ASSOCIATE

Education Policy Research Group

2014 - 2016

- Conducted comprehensive evaluations of federal education programs.
- Collaborated with school districts to implement research findings into practice.
- Facilitated focus groups with teachers and students to gather qualitative insights.
- Analyzed large datasets to identify trends in educational achievement.
- Contributed to grant proposals that secured \$150,000 in funding for research initiatives.
- Authored policy briefs that informed legislative discussions on education reform.
