- Secured funding for a project focused on improving STEM education in low-income areas.

Michael Anderson

EDUCATION POLICY ANALYST

Innovative social scientist with 7 years of experience in educational policy and program evaluation. I have a proven track record of using research findings to drive educational reforms and improve student outcomes. My work involves collaborating with educational institutions, government agencies, and community organizations to assess and enhance educational programs.

EXPERIENCE

EDUCATION POLICY ANALYST

National Education Association

2016 - Present

- Evaluated educational programs to determine their effectiveness and impact on student achievement.
- Collaborated with stakeholders to develop strategies for educational improvement.
- Conducted focus groups to gather insights from students and educators.
- Utilized statistical software to analyze educational data sets.
- Authored policy briefs that informed legislative decision-making.
- Presented research findings at national education conferences.

PROGRAM EVALUATOR

Educational Consulting Group

2014 - 2016

- Led evaluations of educational initiatives to assess their relevance and impact.
- Developed evaluation frameworks to measure program success.
- Conducted interviews with educators and administrators to gather qualitative data.
- Analyzed program data to identify areas for improvement.
- Worked with educational leaders to implement evidence-based practices.
- Published evaluation reports to share findings with stakeholders.
