WORK EXPERIENCE

Gerontology Educator 2020-2023
Institute for Aging Studies

- Developed curricula focused on gerontology and aging services for graduate students.
- Supervised field placements in settings serving older adults.
- Conducted workshops on aging-related issues for students and community members.
- Collaborated with local agencies to enhance service delivery for seniors.
- Evaluated student learning outcomes in gerontology courses.
- Promoted awareness of elder rights and advocacy strategies.

Assistant Professor 2019-2020
University of Gerontology

- Taught courses on social work practice with older adults.
- Designed assessments to evaluate understanding of gerontological theories.
- Engaged students in community service projects focused on aging populations.
- Mentored students in research related to elder care.
- Organized events to raise awareness about aging issues.
- Participated in accreditation and program review processes.

ACHIEVEMENTS

- Published research on aging services in top-tier social work journals.
- Received the Gerontology Educator Award for excellence in teaching.
- Secured funding for community-based geriatric programs.
