MICHAEL ANDERSON

TRAUMA-INFORMED CARE TRAINER

Results-oriented Social Work Trainer specializing in trauma-informed care and resilience-building strategies. Extensive experience in delivering training programs that equip social workers with the tools necessary to support clients facing adversity. Expertise in creating safe learning spaces that foster open dialogue and shared learning. Committed to enhancing the professional capabilities of social workers through evidence-based training methods.

PROFESSIONAL EXPERIENCE

Healing Hearts Institute

Mar 2018 - Present

Trauma-Informed Care Trainer

- Facilitated workshops on trauma-informed practices for over 300 social workers annually.
- Developed curriculum focused on resilience and coping strategies for vulnerable populations.
- Collaborated with mental health professionals to enhance training relevance.
- Conducted participant assessments to tailor training approaches.
- Implemented follow-up sessions to support ongoing learning and application.
- Advocated for policy changes to promote trauma-informed care practices.

Community Health Network

Dec 2015 - Jan 2018

Social Work Consultant

- Provided training on client engagement techniques to enhance service delivery.
- Conducted program evaluations to assess training impact on client outcomes.
- Collaborated with stakeholders to develop community-based training initiatives.
- Presented at national conferences on best practices in social work training.
- Utilized feedback to refine training programs and address emerging needs.
- Promoted interdisciplinary collaboration among social service providers.

ACHIEVEMENTS

- Recognized for outstanding contribution to trauma-informed practices in social work by Healing Hearts Institute.
- Increased participant engagement in training sessions by 50% through innovative facilitation techniques.
- Authored a guide on trauma-informed care practices, distributed nationwide.
