Michael Anderson

CHILD WELFARE TRAINER

Accomplished Social Work Trainer with extensive experience in child welfare and family services. Expertise in designing training programs that equip social workers with critical skills required to address the complexities of child protection and family support. Committed to enhancing the professional capabilities of social workers through evidence-based practices and innovative training methodologies.

EXPERIENCE

CHILD WELFARE TRAINER

State Child Protection Agency

2016 - Present

- Developed and delivered training programs for over 300 social workers focused on child welfare practices.
- Collaborated with state officials to ensure training compliance with legal standards.
- Facilitated workshops on family dynamics and intervention strategies.
- Created assessment tools to measure training impact on practice.
- Engaged in community outreach to promote awareness of child welfare issues.
- Mentored new social workers in best practices for child protection.

FAMILY SERVICES TRAINER

Community Family Center

2014 - 2016

- Conducted training on family support services for social workers and community partners.
- Developed resources to assist social workers in effective family engagement.
- Evaluated the effectiveness of training programs through participant feedback.
- Collaborated with local agencies to enhance training delivery.
- Presented at regional conferences on child welfare and family support.
- Advocated for policies that support family-centered practice in social work.
