EDUCATION

**MS IN ENVIRONMENTAL EDUCATION,
COLLEGE OF NATURAL RESOURCES; BS
IN SOIL SCIENCE, AGRICULTURAL
UNIVERSITY**

ACHIEVEMENTS

- Increased community participation in soil conservation workshops by 40% within one year.
- Recognized with the Excellence in Education Award for outstanding contributions to agricultural education.
- Authored a guide on sustainable soil management that became a key resource for local farmers.

WORK EXPERIENCE

SOIL AND WATER CONSERVATION EDUCATOR

Local Agricultural Extension Office

2020 - 2025

- Developed educational programs focused on soil conservation and water management techniques.
- Conducted workshops for local farmers, resulting in a 25% increase in adoption of sustainable practices.
- Created informational materials to raise awareness about soil health and water resource issues.
- Collaborated with community leaders to promote soil conservation initiatives.
- Utilized surveys to assess knowledge gaps and tailor educational content accordingly.
- Organized field days to demonstrate best practices in soil and water management.

RESEARCH ASSISTANT

University Research Center

2015 - 2020

- Assisted in research projects examining the impact of agricultural practices on soil and water quality.
- Collected and analyzed soil and water samples for various studies.
- Contributed to the development of research proposals and grant applications.
- Presented research findings at local conferences, enhancing academic collaboration.
- Maintained detailed records of experiments and results for further analysis.
- Supported faculty in mentoring undergraduate students in research methodologies.
