WORK EXPERIENCE

Solar Operations Coordinator

2020-2023

Sunrise Energy Solutions

- Coordinated multiple solar installation projects, ensuring timely completion.
- Utilized project management software to track progress and budgets.
- Conducted site inspections to verify compliance with safety standards.
- Engaged with suppliers to secure necessary materials and equipment.
- Facilitated communication between teams to streamline operations.
- Achieved a 90% on-time project delivery rate through effective coordination.

Solar Technician

2019-2020

Energy Solutions Group

- Executed installations and maintenance of solar panel systems.
- Monitored system performance and provided technical support.
- Conducted troubleshooting to resolve issues efficiently.
- Ensured compliance with local regulations and safety standards.
- Collaborated with project managers to meet client specifications.
- Improved system reliability by 15% through proactive maintenance efforts.

ACHIEVEMENTS

- Increased project efficiency by 30% through enhanced coordination practices.
- Received commendation for outstanding service from clients.
- Contributed to a project that achieved a significant reduction in carbon footprint.
