# MICHAEL ANDERSON

## SOLID WASTE OPERATIONS MANAGER

Accomplished Solid Waste Operations Manager with a robust background in municipal waste management and environmental policy. Demonstrated ability in leading large teams towards the achievement of ambitious sustainability goals. Expertise in regulatory compliance, budget management, and operational strategy development, underscored by a commitment to public service and environmental stewardship. Adept at forging strategic partnerships with governmental bodies and community organizations to facilitate effective waste management solutions.

## **PROFESSIONAL EXPERIENCE**

### **Metropolitan Waste Authority**

*Mar 2018 - Present*

Solid Waste Operations Manager

- Oversaw the management of municipal solid waste operations for a population of over 500,000.
- Implemented a comprehensive waste diversion strategy that increased recycling rates by 35%.
- Managed a budget of \$10 million, ensuring fiscal responsibility and operational efficiency.
- Conducted environmental impact assessments for waste management projects.
- Engaged with community stakeholders to promote public awareness of waste reduction.
- Developed policies to enhance compliance with environmental regulations.

### **City Department of Environmental Services**

*Dec 2015 - Jan 2018*

Environmental Compliance Officer

- Monitored compliance with local, state, and federal environmental regulations.
- Conducted inspections of waste management facilities and operations.
- Prepared detailed reports on compliance findings and recommendations.
- Collaborated with various departments to develop environmental policies.
- Facilitated training workshops for staff on compliance issues.
- Led initiatives to reduce hazardous waste generation.

## **ACHIEVEMENTS**

- Successfully reduced carbon footprint of waste operations by 30%.
- Named 'Manager of the Year' by the Waste Management Association in 2019.
- Secured \$1 million in grants for waste reduction initiatives.
