WORK EXPERIENCE

Theater Sound Supervisor

2020-2023

Artistic Stage Productions

- Supervised sound design for over 50 theatrical productions, ensuring high-quality audio delivery.
- Collaborated with directors to craft soundscapes that enhance emotional storytelling.
- Managed sound equipment setup and operation for live performances, ensuring seamless execution.
- Conducted rehearsals to optimize sound levels and effects in conjunction with performances.
- Trained sound crew on best practices for sound reinforcement and equipment handling.
- Documented sound designs for archival purposes and future reference.

Assistant Sound Designer

2019-2020

Theater Arts Company

- Assisted in sound design for various stage productions, contributing to the overall audio experience.
- Conducted sound checks and adjustments to ensure optimal audio quality during performances.
- Collaborated with technical teams to set up sound equipment and troubleshoot issues.
- Engaged in audience feedback sessions to gather insights for improving sound production.
- Documented sound setups and configurations for future productions.
- Participated in post-production meetings to analyze performance outcomes and sound effectiveness.

ACHIEVEMENTS

- Awarded Best Sound Design at the National Theater Awards for a groundbreaking stage production.
- Increased audience satisfaction ratings by 20% through innovative sound design techniques.
- Successfully managed sound for over 100 live performances with minimal technical issues.
