MICHAEL ANDERSON

SPACE RISK CONSULTANT

Strategic Space Risk and Insurance Analyst specializing in the intersection of technology and risk management within the aerospace sector. Exceptional capability in analyzing complex datasets to inform insurance strategies that mitigate exposure to space-related risks. Expertise in developing innovative insurance products tailored to the unique challenges of the space industry, ensuring comprehensive coverage for both private and public sector clients.

PROFESSIONAL EXPERIENCE

Aerospace Risk Solutions

Mar 2018 - Present

Space Risk Consultant

- Conducted extensive risk analyses for innovative space projects, influencing policy development.
- Collaborated with technical teams to integrate risk considerations into project planning.
- Developed insurance products that addressed unique space mission challenges.
- Utilized advanced analytics to assess risk exposure and inform underwriting decisions.
- Presented risk findings to stakeholders, enhancing understanding of risk dynamics.
- Authored white papers on emerging risks in the space sector, contributing to industry knowledge.

SpaceGuard Insurance

Dec 2015 - Jan 2018

Risk Analyst

- Performed risk assessments for satellite operators, identifying key vulnerabilities.
- Assisted in developing comprehensive insurance policies for commercial space activities.
- Engaged in market analysis to forecast trends in space insurance.
- Collaborated with legal teams to ensure adherence to regulatory guidelines.
- Supported claims management processes, ensuring timely resolutions.
- Participated in the development of training sessions on risk management practices.

ACHIEVEMENTS

- Developed a pioneering insurance product that achieved a 50% uptake among new space ventures.
- Received the Innovation Award for contributions to the development of risk assessment methodologies.
- Improved client retention rates by 25% through enhanced service offerings.
