WORK EXPERIENCE

Lead Special Education Instructor

2020-2023

Inclusive Learning Academy

- Led a team of educators in implementing inclusive educational practices across the school.
- Monitored and assessed student needs to inform instructional planning.
- Facilitated professional development workshops on inclusive education.
- Designed and implemented curriculum modifications for diverse learners.
- Developed partnerships with local organizations for additional student resources.
- Advocated for student needs in IEP meetings with parents and stakeholders.

Special Education Advocate

2019-2020

Advocacy for Learners Initiative

- Provided advocacy services for families navigating special education systems.
- Facilitated workshops on rights and resources available to families.
- Collaborated with school districts to improve special education policies.
- Conducted outreach programs to raise awareness about inclusion.
- Supported families in understanding IEP processes and educational rights.
- Developed and maintained a resource library for families seeking information.

ACHIEVEMENTS

- Increased student satisfaction scores by 30% through inclusive program development.
- Received a state award for excellence in special education advocacy.
- Successfully organized a community event that raised awareness about special needs education.
