MICHAEL ANDERSON

TECHNOLOGY INTEGRATION SPECIALIST

Experienced Special Education Assessment Specialist with a focus on integrating technology into the assessment process. Over 12 years in the field, I have worked with a diverse population of students, using innovative tools to enhance evaluation accuracy and efficiency. My background includes collaborating with educators to develop tech-driven IEPs that incorporate data from various assessments to tailor learning experiences.

PROFESSIONAL EXPERIENCE

Innovative Education Solutions

Mar 2018 - Present

Technology Integration Specialist

- Developed and implemented technology-based assessment tools for special education.
- Trained over 100 educators on the integration of technology in assessments.
- Conducted needs assessments to identify appropriate technology for students.
- Monitored the effectiveness of tech tools through data analysis and feedback.
- Collaborated with IT teams to ensure accessibility of assessment platforms.
- Presented findings at national conferences on technology in education.

Future Leaders Academy

Dec 2015 - Jan 2018

Assessment and Evaluation Specialist

- Designed assessments that utilized both traditional and tech-driven methods.
- Improved assessment completion rates by 40% through online tools.
- Collaborated with parents to ensure tech accessibility for students.
- Analyzed assessment data to inform curriculum development.
- Facilitated workshops on the benefits of technology in special education.
- Led a team in developing a mobile application for student assessments.

ACHIEVEMENTS

- Recognized for outstanding contributions to tech integration in assessments in 2019.
- Increased student assessment engagement by 50% through digital tools.
- Recipient of the 'Innovator Award' for enhancing assessment practices.
