SUMMARY

Dedicated Special Education Advisor with over 8 years of experience in developing and implementing individualized education programs (IEPs) for students with diverse learning needs. My career has been dedicated to fostering inclusive educational environments where students with disabilities can thrive academically and socially. I have a strong background in collaborating with teachers, parents, and support staff to ensure the best outcomes for every child.

WORK EXPERIENCE

Special Education Advisor Springfield School District

Jan 2023 - Present

- Developed and implemented over 100 individualized education programs (IEPs) for students with learning disabilities.
- Collaborated with teachers and parents to create tailored learning strategies that improved student engagement by 30%.
- Conducted workshops for educators on effective inclusion strategies, reaching over 200 staff members.
- Utilized data analysis to monitor student progress and adjust interventions as needed, resulting in a 25% increase in student achievement.
- Provided direct support to students in crisis situations, successfully de-escalating 95% of incidents.
- Advocated for policy changes within the district, leading to an increased budget allocation for special education resources by 15%.

Special Education Teacher Greenwood Elementary School

Jan 2020 - Dec 2022

- Designed and executed lesson plans tailored to meet the diverse needs of students in a self-contained classroom.
 - Implemented positive behavior support strategies that decreased classroom disruptions by 40%.
 - Managed a classroom of 12 students with various disabilities, fostering a supportive learning environment.
 - Engaged in regular communication with parents to provide updates on student progress and solicit feedback.
 - Participated in interdisciplinary meetings to align educational goals and share best practices.
 - Assisted in the integration of assistive technology into the classroom, improving accessibility for all learners.
-
