MICHAEL ANDERSON

BEHAVIORAL SPECIALIST

Motivated Special Education Advisor with 5 years of experience specializing in behavior analysis and intervention strategies for students with autism spectrum disorder (ASD). My journey in special education began with a strong commitment to understanding the complexities of ASD and its impact on learning and socialization. I have developed a unique skill set that includes applied behavior analysis (ABA) techniques, which I implement to create supportive and effective learning environments.

PROFESSIONAL EXPERIENCE

Maplewood School District

Mar 2018 - Present

Behavioral Specialist

- Implemented ABA techniques to modify student behavior, resulting in a 30% decrease in disruptive incidents.
- Collaborated with interdisciplinary teams to develop and review IEPs for students with ASD.
- Conducted assessments to identify specific behavioral challenges, leading to targeted intervention plans.
- Trained teachers in behavior management strategies, enhancing classroom environments.
- Facilitated parent workshops on supporting children with ASD at home, increasing parental engagement.
- Monitored student progress and adjusted interventions, achieving a 25% improvement in academic outcomes.

Sunrise Academy

Dec 2015 - Jan 2018

Special Education Teacher

- Created individualized lesson plans that incorporated sensory activities for students with diverse needs.
- Utilized technology to enhance learning experiences for students with learning disabilities.
- Worked closely with speech and occupational therapists to coordinate services for students.
- Implemented positive reinforcement strategies that improved student participation by 40%.
- Engaged in continuous assessment and adjustment of learning strategies based on student feedback.
- Organized community events to raise awareness about ASD and special education services.

ACHIEVEMENTS

- Achieved a 90% satisfaction rate from parents regarding behavioral intervention strategies.
- Presented research on effective ABA strategies at the National Special Education Conference.
- Successfully increased student engagement in classroom activities by implementing innovative teaching methods.
