WORK EXPERIENCE

Special Education Teacher

2020-2023

Cedar Valley School

- Designed and implemented tailored educational programs for students with diverse learning needs.
- Facilitated collaboration between general education and special education teachers to enhance student learning.
- Conducted assessments to measure student progress and adjust instruction accordingly.
- Utilized technology to create engaging and interactive learning experiences.
- Developed strategies to improve social skills among students with disabilities.
- Organized community events to raise awareness about special education.

Special Education Coordinator

2019-2020

Maplewood District

- Managed special education services and resources across multiple schools.
- Trained educators on implementing inclusive education practices effectively.
- Collaborated with families and community resources to support student needs.
- Tracked data on student outcomes and made recommendations for program improvements.
- Advocated for policy changes to enhance special education services.
- Organized workshops to educate staff on disability awareness and inclusion.

ACHIEVEMENTS

- Increased student satisfaction ratings in special education programs by 30% through personalized approaches.
- Awarded 'Best Practice Award' for innovative curriculum design in special education, 2019.
- Developed an outreach program that connected families with community resources, benefiting over 200 families.
