MICHAEL ANDERSON

ASSISTIVE TECHNOLOGY SPECIALIST

Proficient Special Education Learning Advisor with over 6 years of experience in the field of educational technology and adaptive learning tools. My expertise lies in integrating technology into the learning environment to support students with disabilities. I have successfully led initiatives that focus on utilizing assistive technology to enhance learning experiences for students with various needs.

PROFESSIONAL EXPERIENCE

TechForward Educational Services

Mar 2018 - Present

Assistive Technology Specialist

- Evaluated and recommended assistive technologies tailored to individual student needs.
- Conducted workshops for educators on integrating technology into special education.
- Collaborated with software developers to create user-friendly educational applications.
- Provided ongoing support to teachers and students using assistive devices.
- Analyzed data on student engagement and performance to refine technology use.
- Presented findings at educational technology conferences to promote best practices.

Innovative Learning Academy

Dec 2015 - Jan 2018

Special Education Teacher

- Implemented adaptive learning technologies in the classroom to support diverse learners.
- Developed instructional materials that aligned with students' individual learning profiles.
- Worked with families to create technology-based learning plans for home use.
- Facilitated training for staff on the use of educational software.
- Monitored student progress through technology-driven assessments.
- Collaborated with local businesses to secure funding for technology resources.

ACHIEVEMENTS

- Increased student engagement by 40% through the implementation of interactive technologies.
- Recognized for developing a successful technology training program for educators.
- Secured grants for the procurement of assistive devices for underserved students.
