Michael Anderson

CURRICULUM DIRECTOR

Dynamic Special Education Learning Advisor with a solid background in curriculum development and instructional design, focused on enhancing learning experiences for students with disabilities. With over 9 years of experience in educational leadership, I have successfully led teams in creating inclusive curricula that meet the diverse needs of learners. My expertise extends to training educators on differentiated instruction techniques that promote engagement and success.

EXPERIENCE

CURRICULUM DIRECTOR

Bright Futures Academy

2016 - Present

- Designed and implemented an inclusive curriculum that supports diverse learning needs.
- Led professional development workshops on differentiated instruction for faculty.
- Analyzed student performance data to drive curriculum improvements.
- Collaborated with community organizations to enhance educational resources.
- Developed assessment tools to measure the effectiveness of instructional strategies.
- Facilitated partnerships with parents to support home learning initiatives.
