ACHIEVEMENTS

- Recognized as 'Volunteer of the Year' in 2019 for outstanding contributions to community education initiatives.
- Successfully launched a scholarship program for students with disabilities, providing 10 scholarships in the first year.
- Received a commendation from the local school board for excellence in special education advocacy.

PROFILE

Experienced Special Education Learning Coordinator with a background in non-profit education advocacy and over 8 years of experience working with students who require specialized educational support. Demonstrated expertise in creating inclusive environments and developing programs that cater to students' unique learning styles. Proven track record of collaborating with community organizations to ensure students have access to essential resources and support systems.

EXPERIENCE

PROGRAM DIRECTOR

Bright Futures Non-Profit

2016 - Present

- Designed and implemented community-based educational programs for children with disabilities.
- Coordinated workshops for parents on navigating the special education system, reaching over 200 families annually.
- Established partnerships with local organizations to provide additional resources and support for students.
- Trained and supervised a team of 10 volunteers to assist in program delivery.
- Measured program effectiveness through surveys and adjusted approaches accordingly, resulting in a 35% satisfaction increase.
- Led fundraising initiatives that raised over \$50,000 to support special education programs.

SPECIAL EDUCATION SPECIALIST

Hillside Academy

2014 - 2016

- Worked directly with students with autism and learning disabilities to create personalized learning plans.
- Developed training materials for staff on behavior management strategies that reduced classroom disruptions by 20%.
- Conducted assessments and evaluations to inform instructional strategies and interventions.
- Facilitated parent-teacher conferences to discuss student progress and challenges.
- Implemented a peer mentoring program that paired students with disabilities with general education peers.
- Collaborated with administrators to revise school policies to better accommodate students' needs.
