MICHAEL ANDERSON

TECHNOLOGY INTEGRATION SPECIALIST

Results-driven Special Education Learning Facilitator with over 10 years of experience in the education sector, specializing in the integration of technology into special education. I have a strong commitment to improving the educational experiences of students with disabilities through innovative teaching strategies and personalized learning plans.

PROFESSIONAL EXPERIENCE

Tech4Learning Academy

Mar 2018 - Present

Technology Integration Specialist

- Developed and implemented technology-based learning activities for students with special needs.
- Trained teachers on using adaptive technology to support learning.
- Collaborated with software developers to create educational apps tailored for diverse learners.
- Conducted assessments to evaluate the effectiveness of technology in educational settings.
- Organized technology fairs to showcase student projects and achievements.
- Facilitated workshops for parents on using technology to support learning at home.

Creative Minds School

Dec 2015 - Jan 2018

Special Education Teacher

- Designed and implemented individualized curricula using multimedia resources.
- Monitored student progress and adapted teaching methods accordingly.
- Engaged students in hands-on learning projects to enhance retention of concepts.
- Collaborated with therapists to implement sensory-friendly activities.
- Facilitated peer tutoring sessions to encourage social interaction.
- Organized community outreach programs to raise awareness about special education.

ACHIEVEMENTS

- Recipient of the 'Innovative Educator Award' in 2021 for excellence in integrating technology in teaching.
- Increased student engagement by 50% through the use of interactive learning tools.
- Successfully implemented a digital literacy program that improved students' tech skills by 40%.
