

MICHAEL ANDERSON

SPECIAL EDUCATION LEARNING MENTOR

PROFILE

With over 6 years of experience as a Special Education Learning Mentor, I have dedicated my career to enhancing the educational experiences of students with special needs. My background in child development psychology has enabled me to understand the unique challenges faced by these students. At the heart of my approach is a commitment to recognizing each child's potential and crafting personalized learning strategies that inspire confidence and academic success.

EXPERIENCE

SPECIAL EDUCATION LEARNING MENTOR

Willow Creek School

2016 - Present

- Designed and implemented tailored learning strategies for students with varying disabilities.
- Collaborated with educators to integrate special education methods into the general curriculum.
- Provided support and guidance to students, resulting in a 40% increase in confidence and participation.
- Utilized behavioral data to inform teaching practices and improve student outcomes.
- Conducted training sessions for staff on effective special education techniques.
- Engaged parents in the educational process through regular communication and workshops.

LEARNING SUPPORT ASSISTANT

Maple Leaf Academy

2014 - 2016

- Assisted teachers in developing and executing lesson plans for special needs students.
- Monitored student behavior and provided feedback to enhance classroom management.
- Facilitated small group activities focused on social skills development.
- Worked with parents to create home-based learning strategies to reinforce classroom instruction.
- Helped implement assistive technologies to support student learning.
- Organized afterschool programs that catered to students' interests and strengths.
