WORK EXPERIENCE

Autism Specialist

2020-2023

Sunshine Academy

- Developed individualized programs for students with autism to enhance communication and social skills.
- Conducted assessments to identify specific needs and inform instructional strategies.
- Collaborated with a multidisciplinary team to support holistic student development.
- Facilitated training sessions for staff on autism awareness and best practices.
- Engaged families in the learning process through ongoing communication and workshops.
- Monitored student progress and adapted strategies based on data analysis.

Special Education Teacher

2019-2020

Greenfield High School

- Taught students with a range of disabilities in inclusive and self-contained settings.
- Implemented evidence-based strategies to improve student engagement and learning outcomes.
- Collaborated with general education teachers to modify curriculum and assessments.
- Participated in IEP meetings to advocate for student needs and goals.
- Utilized technology to enhance learning experiences and accessibility.
- Provided mentorship to new teachers in special education practices.

ACHIEVEMENTS

- Improved student social skills by 35% through targeted intervention programs.
- Awarded 'Outstanding Educator' by the local school board for exceptional contributions.
- Published articles on autism intervention strategies in educational journals.
