

MICHAEL ANDERSON

Early Childhood Special Education Designer

Experienced Special Education Program Designer with a focus on early intervention strategies and inclusive education. Over 9 years of experience working with students of varying abilities, developing programs that support their unique learning needs. Strong background in collaborating with families and educators to design effective educational plans that promote student growth and development.

WORK EXPERIENCE

Early Childhood Special Education Designer 2020-2023

Little Scholars Academy

- Designed early intervention programs for preschool-aged children with developmental delays.
- Collaborated with parents to create individualized learning plans that foster student growth.
- Provided training for staff on implementing inclusive practices in early education settings.
- Utilized assessment tools to monitor student progress and inform program adjustments.
- Organized community events to raise awareness about early intervention resources.
- Advocated for policy changes to improve access to early special education services.

Special Education Resource Specialist 2019-2020

Happy Valley School District

- Supported students with special needs in general education classrooms through co-teaching strategies.
- Developed and monitored IEPs to align with student goals and educational standards.
- Trained staff on accommodating diverse learning needs within the classroom.
- Conducted assessments to evaluate student performance and program effectiveness.
- Organized parental engagement sessions to promote collaboration and understanding.
- Engaged in data collection and analysis to inform instructional practices and program improvements.

ACHIEVEMENTS

- Increased student engagement in early intervention programs by 40% through targeted strategies.
- Received a community award for outstanding service to families of children with disabilities in 2021.
- Developed a resource guide for parents on navigating special education services.
