# MICHAEL ANDERSON

## SPECIAL EDUCATION TEACHER

Enthusiastic Special Education Program Educator with over 5 years of experience in teaching students with learning disabilities in both urban and suburban schools. My educational philosophy centers on inclusivity and differentiation to help each student reach their fullest potential. I have a strong background in curriculum design and am skilled at integrating technology into the classroom to create engaging and interactive learning experiences.

## **PROFESSIONAL EXPERIENCE**

### **Maplewood High School**

*Mar 2018 - Present*

Special Education Teacher

- Developed and executed individualized lesson plans for students with learning disabilities, improving overall student engagement by 40%.
- Collaborated with general education teachers to modify instructional strategies for inclusivity.
- Integrated educational technology such as SMART boards and tablets into lesson plans to enhance learning experiences.
- Facilitated small group instruction to provide targeted support and intervention for struggling students.
- Organized and led workshops for parents on supporting learning at home, increasing family involvement.
- Maintained a positive and structured classroom environment that encouraged student participation and growth.

### **Sunset Academy**

*Dec 2015 - Jan 2018*

Learning Specialist

- Provided direct support to students with diverse learning needs in a resource classroom setting.
- Designed assessments that measured student progress effectively and adjusted instructional practices accordingly.
- Collaborated with school counselors to address social-emotional learning needs.
- Implemented a peer tutoring program that improved literacy skills among participants by 25%.
- Participated in school committees to promote awareness of special education needs and resources.
- Conducted ongoing assessments and provided feedback to students and families on academic progress.

## **ACHIEVEMENTS**

- Developed a school-wide initiative that led to a 30% increase in student participation in after-school programs.
- Honored with the Rising Star Award in 2021 for exceptional contributions to the special education department.
- Successfully launched a mentorship program pairing upper-grade students with younger peers, fostering leadership and support.
